

February 14, 1996 LB 908, 1048

notice is received. There is a little conflict there. It was pointed out to me by some of my fellow bankers that it needs to be corrected. And this bill really virtually goes back to the second method, which is more logical, and LB 1048 amends the Section 25-1056 to correspond with the provisions of Section 25-1010 dash...or paragraph subparagraph (2). It makes it more consistent. In other words, what it really does, the garnishee has ten days to respond from receipt of that garnishment notice. I hope you can advance this bill. If you have any questions I'll be glad to answer them.

SPEAKER WITHEM: Thank you, Senator Fisher. Senator Lynch. Senator Fisher, there are no further lights on. Senator Lynch declined to speak, so you may close. Closing is waived. The question is, shall LB 1048 be advanced? All those in favor vote aye, opposed vote nay. Record.

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of LB 1048.

SPEAKER WITHEM: LB 1048 is advanced. LB 908, Mr. Clerk.

CLERK: LB 908, Mr. President, introduced by Senator Lindsay. (Read title.) The bill was introduced on January 3 of this year. At that time referred to the Judiciary Committee. The bill was advanced to General File. There are Judiciary Committee amendments pending.

SPEAKER WITHEM: Senator Lindsay, once again out of breath, to do the committee amendments.

SENATOR LINDSAY: Not at all out of breath, Mr. Speaker. Thank you, Mr. Speaker, members of the Legislature, I...LB 908, let me just, I'll describe the bill at the same time I'm describing the committee amendments because the committee amendments simply do some clarification. For those of you who may have watched, I believe it was Channel 6, last night, there was yet another in a string of incidents at tanning salons where it, holes in the wall made it possible to view people in the next booth in a state of undress. This has happened in the past in Omaha I think there was another tanning salon or a, I guess it was a dressing room or a locker room in Omaha the last time that was, appeared on that kind of a news report, and I think it was in Grand Island was, was another one, a similar type of incident.
